Raz-Kids and BrainPOP for fun online learning at home

Whether your kids are e-learning or coming to school in person, they have access to fun online resources, thanks to your support of HGE PTA.

The PTA has purchased a subscription so that all learners in VPK through 2nd grade can access **Raz-Kids**, a digital library with more than 800 eBooks so students can practice reading anytime, anywhere. Quizzes measure comprehension, and your child's teacher tracks progress.

As students read and answer quizzes, they earn virtual prizes, such as accessories for their Raz-Kids avatar or pet.

BrainPOP (for grades 4 and 5) and **BrainPOP Jr.** (for grades K-3) offer fun, interactive and engaging learning games, animated videos, and activities to teach kids about a variety of topics.

PTA also purchased new books that were added to the **iReady** library!

Ask your child's teacher for more information on how to use these resources at home, and how they are being used in the classroom.

The Hunter's Green PTA deeply appreciates your support, which enables us to provide these additional resources to all students at our school! To join PTA, follow this link: <http://huntersgreenpta.com/join-the-hge-pta/>.
