Run New Tampa was a huge success!

For the third year in a row, Hunter's Green put on an awesome 5k race and fun run. This year was our biggest yet, with 383 runners participating. It was held safely, following Covid-19 guidelines. Thanks to the dozens of volunteers who made this event happen and to the many sponsors of the event. This year's sponsors brought in 30% more money for our school than last year. Please thank them for their support:
