### Thank you, Mrs. Holt. We'll miss you!

After seven amazing years at Hunter's Green Elementary, Mrs. Holt recently announced that she will retire this summer, capping a 39-year career in education.

Our PTA is incredibly grateful to Mrs. Holt for all she has done for our school. She is a tremendous leader who stays on top of every detail and respects every person. She treats everyone, from kids to staff to teachers to visitors, with great respect and genuine care.

Every morning, Mrs. Holt stands in the perfect spot to catch bus riders, car riders and walkers on their way in, greeting each and every child by name as they arrive on campus. If someone is new, she notices and asks them their name.

Mrs. Holt is known for the incredible way she cultivates relationships, working closely with teachers, students, parents and the community to ensure that our school is top-notch. When we need support from beyond the walls of our school, Mrs. Holt works tirelessly to ensure we get it. During her tenure, she navigated difficult times and a big transition when school boundaries changed, and her leadership has made Hunter's Green Elementary a sought-after school and a highlight of our community.

We will miss her tremendously, and wish her well as she retires. She promises she'll keep her watchful eye on us, and we look forward to it!
