Hunter's Green Elementary

Find us on:

Welcome HGE Families,

I am honored to serve my second term as your PTA President. With over 4 million members, PTA is the largest and the oldest child advocacy association in America. Within our local unit, our goal is to continue to support all children, advocate for child health, safety, and quality education, and strengthen our school community.

I invite you to join us, as PTA members, as we fulfill these goals. Your PTA path is up to you. The only requirement is to pay the annual membership dues of \$12. Whether you want to volunteer your time at an event, participate in PTA meetings, contribute with advocacy efforts, or be a voice of support by just buying a membership, we would be happy to have you as a member. There is no right or wrong way to be involved. Memberships can be purchased at www.huntersgreenpta.com

If you have questions about PTA, please email me at president@huntersgreenpta.com. Thank you for supporting your student and our school.

Regards,

Rebecca Towner, Hunter's Green PTA President

Amazon Smile

Support Hunter's Green Elementary PTA by joining Amazon Smile. Shopping with Smile will result in a 0.5 % of your purchase price being donated back to HGE. It's not much but it adds up!

The donations that come back to the school will be used to support the students. It is a simple way to fund raise and anyone can be a part of it. So, help HGE by passing this information to friends and family that may want to help your child's school.
