Dad's Club

We have loved having Dad's Club active again this year and meeting on campus! We wanted to make sure that Dad's club is open to all that want to participate. If uncles, grandfathers, or family friends would like to also participate we encourage all to attend and continue to have a positive impact on our students' lives.

As a reminder if you have not filled out a [volunteer application](#) through the school district, please click the link below. You will need to fill this out to be able to participate in Dad's Club or to be on campus for a volunteering role.

Redistricting Public Meeting

There is a public meeting on November 15th at Wharton addressing the Board Member Redistricting and the 5 year strategic plan. Due to information gathered from the 2020 Census and Florida Statutes a redistricting is required every 10 years. This does not change which school students are zoned for but does affect which board member represents each district. Please visit the HCPS website for more information. Please make every effort to attend the meeting at Wharton and be an advocate for our students.
