

Dear Valued Business Partner,

The Hunter's Green Elementary PTA would like to invite you to become a Business Partner for the 2023-2024 school year. Your support will help to strengthen learning opportunities for our students, who will become our community's future leaders.

Each of our partnership options offers your business positive exposure among our students, parents, faculty, and the community at large. Our school is made up of over 750 students along with parents and extended families that you can reach and influence as a partner. Based on your partnership level, you will be able to advertise your logo on our marquee on Cross Creek Boulevard as well as on our social media, newsletters and website, which helps reach potential customers beyond our school walls.

We are proud to host in person networking events that allow our Business Partners the opportunity to speak with our school families during the year. Our first in person event will be our Open House that will take place on August 8th from 1-4 pm. All paid Business Partners are welcome to set up a table and attend. Other opportunities will be emailed out as they approach.

The exposure for your business comes in addition to the personal satisfaction you will receive in knowing that you have helped better the education system for our students. To get started, please select the Business Partner option that best suits your business needs from the options on the following page of this letter. Then complete and submit your application, along with your tax-deductible contribution, to Hunter's Green Elementary PTA at the address listed below. If you have any questions, please contact our Business Partner team at partners@huntersgreenpta.com.

Thank you for your time and for supporting our school, our students and our community.

Sincerely,
Kristin Householder
Hunter's Green Elementary PTA, Business Partner Chairperson
